In every vicissitude of our history it as appeared to direct us with its wislom, and to extricate us by its courage, and to-day it stands as it did in 798 and 1799, under the guidances of Mr. Jefferson, pointing us the path of safely, which is now, as it was then ulators to make money plenty; to the Constitution—the path of fraternai harmony and peace,

THE NEW YORK CONVENTION. THE SYMBOL OF A RESTORED UNION. The Convention which sat in New York was an august assembly. It They have answered all these purposes, and in doing it the public debt was called, and not one was without creet financial management-more missing. The doctrine of State suicide was not recognized. The dissolution of the Union was not acknolcitizens as she chose, and thus it happened North Carolina, and South Carsymbol, and the prophecy of a restored Alliance, which subjugated peoples and divided empires, its mission was States; and to maintain the institution of civil liberty. For the first was in danger, and that the fate of the public trembled in the balance.ney had been taught to believe that reedom was indigenous to our soil, nd, shutting their eyes to the teachings of all history, shutting their eyes to the facts connected with our revoion, they had hugged to themselves he delusion that whatever the storm of faction or passion, or revolutionary evor, liberty at least was safe. They

had awakened from the dream. As

they sent Representatives to the Con-

vention, they charged them, as the

unanimous vote they adopted cheerful and contented industry."-Applause.

THE NOMINEES And the assertion of these principles was also, by a unanimous vote, onfided to one who is worthy of the trust, by his age and experience, and seventy millions of dollars a year. future, wherever he may be placed:

Tremendous applause. Mr. Blair is an accomplished and Mr. Blair is an accomplished and the expenses of the War Department duby these two measures alone your debt Lincoln, and he himself the disciple

which marked their nomination, let pr it be drawn from the contrasts which our country to-day presents. The Republican party has been for eight years in absolute possession of every department of the Federal Governnt-it has had the executive and ession of every State Government in the Union, with very few exceptions; so lew that they scarcely serve-

KEY-NOTE OF THE CAMPAIGN. the States which are essential to the capation; it is because the produce of the maintenance of that Constitution and HOW THEY HAVE "RESTORED" THE UNION,

We have had three years of profound peace; not a hostile arm has been raised in opposition to the Government, and yet today ten States are held by the strong arm of military power in ucknowledged subjucation, or else are compelled to submit by that same power to frames of State constitutions and governments which they abhor, whose foundation and sole purpose is the enfranhisement of the negro and disfranchise graphic dispatches to-day, and you will see unmission, upon charges of murder. Read the telegraphic dispatches of vesterday, and hat State declines to recognize the validity

Read the dispatches of the day before and you will see that one of the newly eleche possession of a Governor fresh from the soil of Ohio; [laughter] and if the newspapers do not belie him, a citizen of our Statas declined to be a candidate for Congress in the District in which he lives, for th cason that he expects to be a Senator from Alabama before the fall elections in Ohio

CONGRESSIONAL USURPATIONS. Congress has asurped to itself all power it has destroyed them. It has made use of the Federal Government itself. It has de stroyed the independence of the Judiciary it has struck at the existence of the Evecu-tive. Our fathers thought they had solved the problem of free Gevernment in the cre-ation of the three departments. This Re-publican Congress has destroyed and the di-tible opinion I am sustained by the resoit has struck at the existence of the Evec isions which were thus created, and seeks visions which were thus created, and seeks to collect, in its own hands, all the powers which belong to the system, and by an inexorable law of its existence, it now stands tready, in case of party necessity, to transtate the period of the fer them to the grasp of the military dicta- right and justice, to be paid in the lawful tor. It is-reproducing in our country the ssons of all history.

LEGISLATIVE DESPOTISM AND THE SEQUEL -HISTORICAL EXPERIENCE. The despotism of a legislative assembly i ne worst despotism in the world: it is the ist selfish, the most cruel, the most audaous and the most short-lived; it ends in no public necessity now to demand the anarchy, and is speedily followed by the payment of these bonds in the money calm repose of tyranny under the order of which was paid for them? the sword. Recall the history of the long Policy OF THE REPUBLICAN PARTY ON THIS SUBJECT. Parliament and the tyranny of the Comonwealth; recall the history of the Legstative Assembly of France, and of the Consulate and the Empire, and read in them the certain prophecy of the fate of this States, into these bonds; to pay interest vernment if Congressional usurpation in gold for this enormous am nall ruu its hour.

OUR OWN EXPERIENCE. Have we not already a part fulfillment of ese examples? Congress has despoiled semi-annually in gold. What the amou the Executive of the just powers of his of indebtedness, under this system can to naily be shown to be, I can not say; \$2,000,000,000 we know it is now. Less that of our armies. It has despoiled the States, and vested idem, too, in the same officer.—

| 500,000,000 we know it is now. Less that it certainly will not be. The interest on this sum will be \$150,000,000 in gold It has given him power over all the military and this amount is to be drawn and commanders, and to his decision it has re-ferred every question of interpretation or execution of the reconstruction laws. And this same officer-wielding this enormous power-backed by the army-sustained all the military organizations, by whatever name they may be known, appealing to the you men of the North, it will elect him by the votes of the negroes and carpet-baggers

traitors, [Applause,] When Napoleon was called on-young-young, unknown to his this debt? countrymen, never having had command even of a regiment—to quell the revolt of the sections, he did it effectually. In four years he was first Consul and Master of the French people. Here, a grand party, through the property of the section of the the General of our army, attempts a similar usurpation, which the Democratic party opposes, as inimical to the whole system of Republican government, and it proposes a in gold, annually, which are now paid as safe and simple means by which it may be a bonus to the national banks.

"Immediate restoration of all the States their rights in the Union, under the Conitution, and of civil government to the American people. "2. Amnesty for all past political offenses and the regulation of the elective franchise in the States by their cutizens."

CORRUPTION AND EXTRAVAGANCE OF THE REPUBLICAN PARTY. The Republican party is the party of usur pation. It is also the party of corruption. Read the report of the Commissioner of Revenue. Count the number of clerks who are seeking in vain to discover the amount of peculation in the Treasury Department. Go to the War Department and see the mutilated archives and ask why they were destroyed? Visit the penitentiary and count a declaration of principles—"fidelity the public plunderers who are confined to the Constitution;" "fidelity to the there. [Applause.] It is the party of extravagance-the war party ended in May,

During the three years, from July 1, 1865, July 1, 1868, the expenditure of the of currency than we now have. The depaying the public debt in legal-tender rederal form the shoulders of est on the public debt, was eight hundred est on the public debt, was eight hundred beggars for money, and are willing to pay for the sound specie currency doctrine, labor the burthens which oppress it, and twenty millions of dollars. These were years of peace. The army and navy of the ation will secure it the just rewards of war had been reduced; their back pay had sales of Government property, consequent upon the close of the war, had been made, administration expensed eight hundred and twenty millions of dollars-two hundred and

intellect, and cultivation; by his CONTRAST WITH DEMOCRATIC ALMINIS The whole expense of the Government of the United States for four years preceding or a private life, Horatio Seymour the war was two hundred and fifty-six millupon the public debt. If this be added, the currency to that extent, but if every line of those resolutions; that he will stand upon them in the contest, that he will carry them out in the contest, that he will carry them out in the contest, that he will carry them out in the contest four hundred and it stood when gold touched 128. I tell you thirty millions of dollars. The taxation of the year 1866 amounted to five hundred and ninety millions of dollars. The taxation of South and West, as the dews of heaven to tion amounted to eighty millions of dollars. ring the whole of Mr. Polk's admsmstration, would be adduced \$830,000,000, and the including the Mexican war, were \$90,540, | terest would be reducen more than \$50,000-000. In one year of Republican administration, in time of peace, the War Departrevenue would enable you, without furment spent \$30,000,000 more than a four years Democratic administration did in time diminish still further the amount of inter.

Frederick to Daniel Arnold, and recorded diminish still further the amount of inter. of war. [Applause.] The Navy Depart-ment for four years, before the war, cost If any thing more were needed to fire your heart with the enthusiasm \$62,010,000. Then our commerce was unit contraction could be effected, and as it osperous, our ships sailed on every sea would come when the debt had been paid and landed in every harbor. To-day we

> the trade to our sea-poots. The ship-build-crs of Maine are starving for want of occu-sion and disnster which must now at: ention, and yet the estimates for the navy, tend it. for the current four years, is \$117,470,000.
>
> PERSONAL POSITION TOWARD THE BOND-HOLDERS AS A CLASS. I have said to you that the taxation of 1865 amounted to \$590,000,000. The securities of the Government are not subject to taxation. The capital invested in these sereal and personal, of every kind, as deristed from the official reports of 1850, amounted to \$16,000,000,000. Thus you see that near one sixth of all the property in the amounted to \$16,000,000,000. Thus you see that near one sixth of all the property in the amounted to \$16,000,000,000. Thus you see that near one sixth of all the property in the amounted to \$16,000,000,000. Thus you see that near one sixth of all the property in the amounted to \$16,000,000,000. Thus you see that near one sixth of all the property in the amounted to \$16,000,000,000. Thus you see that near one sixth of all the property in the amounted to \$16,000,000,000. Thus you see that near one sixth of all the property in th But why is it that the amount realized from 1860 will be less than the amount re-alized in 1866? The rate of taxation is

the trade to our sea-poots. The ship-build-

farmer remains on his hands, instead o going to the market; it is because you stocks ; it is because energy and enter-prise are paralyzed, and capital remain-imactive. And why is all this? Because a Republican attninistration massis on curtailing the currency, disturbing all values, checking all enterprise, throwing out of employment all labor. The tradesman is caught with a large stock on declining. prices. The farmer lears the fall that may overtake him before his wheat reacted the market. The manufacturer lears the ender, I am in favor of continuing it unil we can secure the people, who have already suffered all the evil, whatever good

price of his raw material to-day will be may be extracted from the system. RECAPITULATION AND APPEAL But, gentlemen, I detain you too long. will not take his money out of Govern-ment bonds and invest it in houses, or have sought to bring in sharp contrast the two parties and their respective prin-ciples; "Choose ye between them." It is dends Will not yield him simple interest. In the mean time later is without emstitution and revolution; order and ansarchy; purity and corruption; economy proyment, and poverty stalks through nomes where comfort has alway been be-fore, [Applause.] In the mean time this and extravagance; civil government, and whatever comes after its overthrow; in-tellectual cultivation, experience and cas pacity for government, and—but I forbear Look at every monthly report of the Secretary of the Tronsury, and you will and us——[cheers; cries, "Go on, let it out"] —as I will not say one word in disparages that every month the debt that bears in-terest in gold is increased; you will find ment of the chosen lender of a great party of my countrymen. This is the supreme struggle for the mastery by these endurall, or which bears interest in currency is converted as rapidly as possible into the bonds which pay interest in gold.—And why is this? Is there too much curtory for their Constitution - the achieves

And when we ask the reason, we are an-THE Two WAYS .- "Let the President elect disperse the carpet bag State governments." F. P. Blair, Jr. "Let us have peace." U. S. Grant the spirit and letter of the contract; by a declaration of its President that the debt of the bondholder is as sacred as the grave -Radical Paper. Radical "peace" is military despot-

I deny that it is according either to the spirit or the letter of the contract under which the five-twenty bonds were sold. I say that neither the spirit nor the letter THE Democrats declare that the rich man's bonds shall be taxed as well as the poor man's cow.
